

Implementing the **AIM Patient Safety Bundles: Care for Pregnant and Postpartum People with Substance Use Disorder**

In case you missed any of these valuable webinars, please click on the links below to view the recordings of these presentations by our esteemed faculty.

These offerings are part of a series of educational opportunities for clinicians and care teams engaged in the priorities of the New Jersey Perinatal Quality Collaborative's support of hospitals' efforts to implement the AIM patient safety bundles.

Overcoming the Challenges in Managing the Care of Birthing People with Substance Use Disorder

FACULTY | Rachel Haroz, MD, FAACT

<https://education.njha.com/courses/58173>

The Bias & Stigma of Substance Use Disorder in Pregnancy

FACULTY | Meika Neblett, MD, MS

<https://education.njha.com/courses/58250>

Best Practices for the Management & Follow-up of Birthing People with Opioid Use Disorders

FACULTY | Alexis M. LaPietra, DO, FACEP, FAAEM

<https://education.njha.com/courses/58994>

How to Integrate the AIM SUD Bundle into your Clinical Practice

FACULTY | Elizabeth E. Krans, MD, MSc

<https://education.njha.com/courses/59490>

Exploring Innovative Models of Care Using an Interdisciplinary Approach When Treating Birthing People for Perinatal Opioid Use Disorder

FACULTY | Margaret Lowenstein MD, MPhil, MSHP

FACULTY | Navid Andreas Roder, M.D.

<https://education.njha.com/courses/61590>

Practicing Safety Mindfulness & Integrating SUD Treatment of Women Living in Residential Treatment Settings

FACULTY | Diane J. Abatemarco, PhD, MSW

<https://education.njha.com/courses/61377>

Reducing Implicit Bias in Maternal and Child Health

FACULTY | Meika Neblett, MD, MS

<https://education.njha.com/courses/43377>

Addressing COVID-19 Vaccine Hesitancy: Pregnant Individuals & Other Vulnerable Populations

FACULTY | Farah Roomi, MD

<https://education.njha.com/courses/44418>

Opioid Reduction Options 2.0: Moving the Needle

FACULTY | Alexis LaPietra, DO, FACEP

<https://education.njha.com/courses/46383>

Funding for these webinars was made possible (in part) by the Centers for Disease Control and Prevention (CDC) and/or the American College of Obstetricians and Gynecologists (ACOG), Alliance for Innovation on Maternal Health (AIM).
